## DENTAHEX™ ORAL RINSE

Vétoquinol USA

*Chlorhexidine 0.12% with Zinc*

### **Oral Hygiene Rinse for dogs and cats**

*For Veterinary Use Only*

Dentahex Oral Rinse is a palatable and highly effective rinse for reducing plaque and freshening breath in dogs and cats. The unique formulation provides anti-plaque and anti-calculus properties thus aiding in the prevention of tooth and gum disease.

**CONTAINS:** Water, Glycerin, Sorbitol, SD Alcohol 38B, Flavor, Chlorhexidine gluconate, Poloxamer 407, Zinc gluconate, FD&C yellow #5, FD&C blue #1.

**DIRECTIONS:** Shake well before each use. Rinse daily following each meal or as directed by your veterinarian. Gently lift the upper lip to expose the teeth and gums. Point and squeeze to apply a gentle stream along the gum line. Dentahex Oral Rinse disperses rapidly and completely covers the entire oral cavity, even difficult to reach areas. Avoid touching the gum with the applicator tip to avoid any injury in case of movement of your pet.

**Warning:** KEEP OUT OF REACH OF CHILDREN. Store at controlled room temperature 59-86°F (15-30°C).

Manufactured for: Vétoquinol USA, Inc., Buena, New Jersey 08310
