DERMACOOL® HC SPRAY

Virbac

Hydrocortisone 1%

Antipruritic/Anti-inflammatory Therapeutic Spray

CONTENTS: Hydrocortisone 1% in a cooling astringent vehicle containing hamamelis extract, lactic acid, menthol and propylene glycol.

INDICATIONS: For prompt temporary relief of inflammation and pruritus associated with moist dermatosis, i.e., "hot spots".

DIRECTIONS: Spray directly onto affected areas 2 to 3 times daily as needed or as directed by a veterinarian. Wash hands thoroughly after use.

CAUTION: Federal law (USA) restricts this drug to use by or on the order of a licensed veterinarian. If the condition persists, consult a veterinarian. Avoid contact with the eyes. Keep out of the reach of children.
