

HomeoPet Cough

Remedy to provide relief from coughing and wheezing in cats and dogs. Symptoms may be associated with a stay in a kennel and/or exposure to other pets. Cough remedy may also assist with coughs due to allergies and colds. (general dosing)

Natural Organic Ingredients :

Drosera Rotundifolia 6c&30c, Arsenicum Album 6c&30c, Spongia Tosta 6c&30c, Baryta Carbonica 6c&30c in 20% USP alc. in purified water.

Dosage:

1-20 lbs (10 kg)...5 drops = one dose

20 – 100 lbs (10-50 kg)...10 drops = one dose

Over 100 lbs (50 kg)...15 drops = one dose

General dosing:

Use 3 single doses daily to start and cut back with improvement of symptoms to twice daily and eventually once daily. Remedy may be discontinued when symptoms are no longer present.

Pets under 1 lb:

All pets under 1 lb should be dosed by putting one(1) to two(2) drops in drinking water daily
