Inactive Ingredients: brewers yeast, microcrystalline cellulose, silicon dioxide, smoke flavor, stearic acid, vegetable stearate.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven.

If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

May have hypoglycemic effect. Not for long use. Contraindicated with kidney disorders, animals with, or prone to oxylate stones, or conditions giving rise to acidic urine. Use caution with hypotension; not to be used with hypotensive drugs or prior to anesthesia. Absorption of drugs taken simultaneously may be delayed.

For use in dogs only.

Recommended to maintain proper urinary tract function and support immune response function.

Directions for Use: Give 1 tablet per 25 lbs of body weight, daily.

For dogs less than 15 lbs, give 1/2 tablet daily.

If giving more than 1 tablet daily, divide amount between AM & PM.

This product is not recommended for continual use. Take recommended amount for 7 - 14 days, or until results occur.

Warnings: For animal use only.

Keep out of the reach of children and animals. In case of accidental overdose, contact a health professional immediately.

Store in a cool, dry place.
